Dear Valued Patient,

We are announcing the closure of Tahoma Clinic medical practice at 6839 Fort Dent Way, Tukwila, WA effective April 3, 2025. While we are available to provide you with medical care until April 3, 2025, you will need to secure a new physician or transfer care prior to that date to ensure continuous care.

All medical records are confidential and protected by federal privacy and security regulations. With your authorization, a copy of your medical records can be released to you or transferred to a physician.

You have a few options: You may pick up your medical records at Tahoma Clinic, have them mailed to you, or have them sent directly to a physician you designate (you must provide the name and practice address of that physician). Please complete, sign, and return the enclosed medical records release form as soon as possible, but no later than April 3, 2025. Our staff will need approximately 14 days to retrieve and prepare the records. After April 3, 2025, you may obtain a copy of your medical records by emailing [medicalrecords@tahomaclinic.com](mailto:medicalrecords@tahomaclinic.com). There may be a fee for record duplication after April 3, 2025.

Providing for your health care needs has been a privilege.

Please know that we have greatly valued our relationship and wish you and your family the best of health.

Sincerely,

Dr. Wright/ Tahoma Clinic Staff
